## Atlas H.H. Care

### Atlas Home Health Care

Came out to call Bingo and they showed us a wonderful time. They really took their time to spruce bingo up into something spectacular.

### Help for Seniors Paying Bills

With the rising cost of fuel to heat homes and produce food, affording the necessities is getting harder, but seniors may have help. A convenient web site, [www.BenefitsCheckup.org](http://www.BenefitsCheckup.org), is a service of the National Council on Aging. The online venue allows seniors to enroll in federal, state, local and private programs to get help paying for prescription drugs, utility bills, meals and health care. Log on today to see if you qualify.

Bills become part of a greater financial issue if you or a loved one is considering the move to an assisted or independent living facility. If that's the case with someone you love, it is important to look at all costs involved. Comparing what your loved one currently pays each month and year with what they would pay living someplace new is a smart way to get started on the financial prospect of moving. For an easy-to-use worksheet, visit [www.GilbertGuide.com](http://www.GilbertGuide.com).

### Bake Club

The newly formed Bake Club meets every Thursday at 11 a.m.

We made deviled eggs that were very, very devilish!

We had a special summer bingo on June 18. We invited the community out to help us celebrate summer. Chef Stephone prepared a magnificent summer buffet for us. Just one look had our mouths watering. We took pictures so that if you didn't make it you would be sure to come next year. Now, remember, they are just photos.

Now up above we have put in a picture of the wonderful gifts our administrator (Robin) picked up for us.
